

Victor Wasp Trap & Bait Yellow Jacket

Protect your garden and patio from wasps - all summer long with a non-poisonous wasp trap.

Simply place the trap in a corner of your yard, and let its proven attractant do the rest. The Wasp Trap's all natural bait draws wasps and Yellow Jackets inside the trap and keeps them there. Safe, effective, and 100% pesticide free, the Wasp Trap is your passport to a wasp-free summer.

Victor Yellow Jacket Wasp Trap:

- Eliminates wasps without harmful chemicals
- Easy to use and re-use
- A simple, leak resistant, disposable trap with a non-toxic attractant to lure in those nasty wasps.
- Wasp bait included (refills are available separately)

Applications

The Yellow Jacket wasp trap safely and effectively eliminates wasps in

- Front and Backyards
- Gardens and Garages
- Around pools and camp sites
- Food establishments
- Attics and Rooftops
- Other commercial facilities including cafes, warehouses and more

How it works

The trap's all-natural bait attracts nearby wasps and yellow jackets, and captures them within the jar. After about 14 days, simply empty the dead wasps into the trash, replace the bait, and the reusable Wasp Trap is ready to go again.

Package includes

- 1x Victor reusable Yellow Jacket Wasp Trap
- 1x Bait concentrate Yellow Jacket/ European Wasp
- 1x Trap hanger

Refill bait (pack of two) is available separately.
